

# CEF MALAYSIA

1986 - 2016

*What a faithful GOD we serve!*

## Anniversary Thanksgiving, 23 July 2016, Saturday

Welcome!  
Thank you for coming.  
Here is your bag.  
Hope you like your gifts.

Worship led by  
OA students  
from PLK,  
Mentakab.

Let us praise  
and give thanks  
to our Lord.  
What a faithful  
God we serve!

Mr Hendrew,  
MC for the day.

Rev. Yeo,  
speaker.

Mr. Hoo, Mr. Ng  
Board members.

Ps. Miun, praying  
for OA ministry.

CEF Malaysia Anniversary Thanksgiving is not about me or CEF Board members or CEF the organization but it is about the CHILDREN and about YOU! Without your prayer, your financial support and your laboring with us we will have no ministry and no place of our own to do ministry. Without so many of you volunteering your time from far and near, we will never grow or be able to venture into new areas of ministry. Thank God for sending you our way and thank you for letting God use you to partner with us to serve together for the sake of the boys and girls of Malaysia. The reason for the **THANKSGIVING** is to give thanks to our God and to thank you for your partnership in the ministry.

Ps. Liew, praying for Project CRC.

**Project Children Reaching Children (CRC)**

Pray with us and partner us in this project, to train our children to share the Gospel with others. We had done this in our **Colors of Life - Vacation Bible School** before and it had proven very effective. Now the children can use CEF colors of life keychain to share the Gospel or give to a friend the Meet the King evangelistic booklet.

**THANK GOD**  
for blessing us  
**MUCH MORE**  
than we  
deserve.

Before Rev. John Kok, from KL Baptist Church, closed in prayer he presented CEF with a gift of RM30,000 for 30 years of ministry in Malaysia! We are humbled that KLBC had entrusted such a big gift to us for the investment of lives of boys and girls!

Gathering for some fellowship over a piece of cake and a good cup of coffee.

Thank God there is plenty of food.  
Some like to eat together, some like to eat on their own,

while others like to smile for the camera.  
Most of all I hope you all had a good time.

Thank God for bringing us from different tribes and races, old and young, far and near together for this wonderful time of thanksgiving and fellowship.

**What a FAITHFUL GOD we serve!**

Thank you for giving CEF Malaysia such a big family to serve together to build YOUR KINGDOM.

**THANK YOU GOD** for blessing us **MUCH MORE** than we deserve!
